

CERTIFICATE

We hereby certify that,

Aelson Oliveira Sobral, Universidade federal da Paraíba(UFPB),

participated in the advanced school **[B₁^]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Alberto Roncoroni, Universidad de Granada (Spain),

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Alberto Saldaña, Universidad Nacional Autónoma de México,

participated in the advanced school **[B₁]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Aliang Xia, Jiangxi Normal University,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Andrea Olivo, ICTP,

participated in the advanced school **[B₁^]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Anoop Skaria Varghese, University of Mumbai,

participated in the advanced school **[B₁^]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Bruno dos Santos Costa, Federal University of Sergipe,

participated in the advanced school **[B₁]-: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

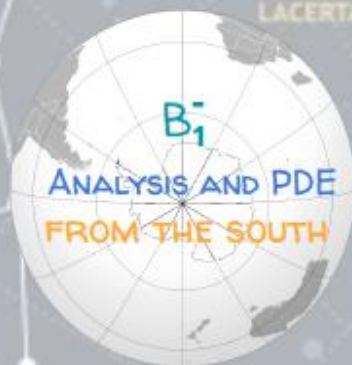

Bruno Mascaro, Universidade de São Paulo,

participated in the advanced school **[B₁]-: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Claudemir Alcantara Dos Santos Junior, Universidade Federal de Sergipe,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

César Enrique Torres Ledesma, Universidad Nacional de Trujillo,

participated in the advanced school **[B₁]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Claudionei Pereira de Oliveira, UNIFESSPA,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Cristiana De Filippis, Università degli Studi di Torino,

participated in the advanced school **[B₁^]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Daniel Marroquin, UFRJ,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Deiverson Reinan Barbosa Alves, UEPB,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Disson dos Prazeres, UFS,

participated in the advanced school **[B₁^]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Francesca Colasuonno, Università di Bologna,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Gabriel Silva Lucidio, UFSCar,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Gerardo Jonatan Huaroto Cardenas, Universidade Federal de Alagoas,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Hernán Vivas, Conicet,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Isaia Nisoli, UFRJ,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Jeison, Universidad del Valle,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Jianjun Zhang, Chongqing Jiaotong University,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

José Carlos de Albuquerque, Universidade Federal de Pernambuco,

participated in the advanced school **[B₁]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Juliana Honda Lopes, UFRJ,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Layan El Hajj, American University In Dubai,

participated in the advanced school **[B_1^~]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Leandro Martin Del Pezzo, UBA,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Lubna Abu Rmaileh, Fraunhofer IGD,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Mahnaz Yousefi, Iran University Science And Technology,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Manoel Rodrigues dos Santos Neto, Universidade Federal de Sergipe,

participated in the advanced school **[B₁]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Marcela Nascimento, USP,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Mariana Smit Vega Garcia, Western Washington University,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Meire Santos Martins, Universidade Federal de Sergipe,

participated in the advanced school **[B₁^]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Mitesh Modasiya, Indian Institute Of Science Education And Research, Pune,

participated in the advanced school **[B_1^~]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Mohammad Safdari, Sharif University of Technology,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Mousomi Bhakta, Indian Institute of Science Education and Research (ISER-Pune),

participated in the advanced school **[B_1^~]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Ori Saporta Katz, Weizmann Institute,

participated in the advanced school **[B₁]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee

CERTIFICATE

We hereby certify that,

Pammella Queiroz de Souza, UFCG,

participated in the advanced school **[B₁[^]]: Analysis and PDE from the south** by attending the short course entitled:

“Regularity results for elliptic equations involving regional fractional Laplacian”

by **Mouhamed Fall**, African Institute for Mathematical Sciences, held at Video conferencing platform Zoom, on February 22, 24 and 26, 2021.

Organizing Committee
